WHEREAS, the Tenth Amendment to the Constitution defines the total
scope of federal power as being that specifically granted by the Constitu-

WHEREAS, the scope of the power defined by the Tenth Amendment means
that the federal government was created by the states specifically to be an
agent of the states; and

WHEREAS, today, in 2010, the states are demonstrably treated as agents

WHEREAS, many federal laws are beyond the original scope and intent of
the Interstate Commerce Clause and the Tenth Amendment to the Constitution
of the United States; and
